## HOPES THE WAR IS OVER.

Washington, May 2.—President McKinley talked with his official callers before the Cabinet meeting today about the prospects of peace in the Philippines. It is believed some advices from General Otis have been received, enlarging upon the propositions which were submitted by the Filipino delegation, which have not yet been made public and which give the officials additional information concerning the situation. The President expressed the opinion that the end was in sight and said he believed that the Filipinos will not hold out much longer. He regards the conditions as most hopeful. The fact that negotiations for peace are in progress has stopped all talk of calling out the 35,000 additional volunteers.

## First Foreign Vessel to Molokai.

The American barkentine Kikikat, Cutler master, arrived in port this morning, a day and a half from Kaunakakai, Molokai, where she went from Port Gamble to discharge 157 feet of rough lumber, 30,000 feet of dressed lumber and 110 piles for the plantation at that place. The Kikikat is the first vessel from the Coast that has ever called at Kaunakakai with a cargo of any kind. She sailed from that place on the 9th inst. and made for Honolulu. Her cargo for this port consists of 300,000 feet of lumber consigned to Wilder & Co. Captain Cutler is accompanied by his wife and child on this trip.

## Miowera in Port.

The C A S S Miowera, Hemming commander, arrived in port this morning on her way to Vancouver and Victoria. Purser Humphris reports as follows: "The R M S Miowera left Sydney at 1:30 p. m. on the 25th ult, rounded Cape Morton at 1:10 a. m. on the 27th and arrived at Brisbane at 5:45 a. m. same morning. ## TO LOSE A POPULAR PURSER.

The purser of the R. M. S. Miowera, Mr. C. H. Humphris, retires from the service on the arrival of that vessel in Vancouver and Mr. Young, formerly of the Warrimoo and later of the Aorangi, will take his place. Mr. Humphris has for twenty-two years been associated with Australian shipping, fourteen years of which were under the flag of the Union Steamship Company of New Zealand and when he quitted that company he was the commodore purser. Ever since the Miowera began her trips to this port some six years ago, Mr. Humphris has been the purser. It has been very difficult sometimes for him to attend to his duties on account of illness but he has remained faithfully at his post through it all. Now that he is in perfect health again, he is going back to his home in England there to remain for about six months.

Mr. Humphris has made many warm friends in Honolulu, among these being business and newspaper men. He has always shown himself to be more courteous to all who had any dealings with him and in the discharge of his duties he has always been most prompt and obliging. Particularly will he be missed by the newspaper men who look upon him as one of the best men in his capacity that comes into the port of Honolulu. Favors asked have always been granted with the utmost willingness and with a lack of that patronizing demeanor that characterizes some of the pursers who come to this port. The newspaper men certainly wish Mr. Humphris an aloha nui accompanied with the best wishes for success in whatever he may undertake.
